

# AARP Safe Driving Course

**We are sorry, currently no classes are scheduled. Please check back and follow our social media for upcoming classes.**

The AARP Smart Driver Course teaches valuable defensive driving strategies and provides a refresher of the rules of the road. Since 1979, the course has helped more than 15 million drivers learn research-based tips to adapt their driving to compensate for physical and cognitive changes that may occur with aging. Plus, you may qualify for a multi-year automobile insurance discount by completing the course (check with your auto insurance agent for details).
